Mersin

21.5-inch & 23.8-inch Self-Order Kiosk

A smoother way to order.

Mersin Self Order brings a clear, intuitive ordering journey and integrated payment and receipt hardware into a compact, brand-ready kiosk for restaurants, cafes and quick-service environments.

21.5 / 23.8	1080×1920	500 / 550	24/7	3
inch	resolution	cd/m²	50,000 h	stand styles

Choose between KSMA215MA (21.5-inch) and KSMA238HA (23.8-inch), then select one of three stand styles to suit your space.

unisign / DISPLAY TECHNOLOGY

Make every order feel effortless

A portrait touch display helps guests browse, customize and submit orders independently. A compact enclosure keeps the ordering point tidy, while optional player and built-in peripherals support a streamlined service flow.

Three stand styles. One ordering experience.

Dual-leg base

Single pedestal

Branded column

A self-order flow, built for busy service

1

Intuitive ordering

Clear categories and a responsive touch interface help customers place orders with confidence.

2

A more efficient service flow

Self-service ordering can help reduce queues and let staff focus on preparation and hospitality.

3

Integrated transaction tools

POS terminal, NFC, thermal receipt printer and barcode reader support everyday order and payment steps.

4

Made to fit your brand

Three stand styles, customizable colors and logo placement help the kiosk blend into your environment.
